COCKTAIL MASTERCLASS EXPERIENCE

The Cocktail Masterclass Experience is an exciting exploration into the world of cocktail making. During this one-day cocktail course, our expert professional bar trainers will have you behind the cocktail bar, learning the basic methods of cocktail preparation: building, stirring, shaking, layering, muddling - oh and drinking.

You will mix up (and taste) a range of classic and contemporary cocktails including: Collins, Daiquiris, Caipirinhas, Sours and Mojitos.

The course comes complete with an information booklet with recipes for all the cocktails you learnt on the course so you can take it home and keep practicing!

This course is ideal for anyone with an interest or passion in making or drinking cocktails!

We know drinking alone is never as fun as drinking with friends, the same goes when it comes to cocktail making, so if you bring your friends along you save, just \$249 for 2 people!
