

SPANISH WINE EXPERIENCE

The program

This Level II course offers an in-depth review and analysis of the Spanish wine industry.

All the regions of Spain will be studied as well as each designation of origin and the most important 'Vinos de la Tierra'. This is a very comprehensive and complete analysis of the Spanish wine industry, ideal for professionals wishing to obtain a profound knowledge of Spain and its wines.

Students will taste over 50 of the most representative wines.

Online students will be provided with guidance for purchasing locally some of the wines suggested by our faculty for the different tastings.

Content of the Course

- Chapter 1 - Introduction
- Chapter 2 - Aragon

About the Certification & Exam

The Spanish Wine Experience is a certification offered by The American College in Spain, an American university located in Andalusia, Spain affiliated with Florida's Broward College.

To obtain the Level 2 Spanish Wine Experience certification, you will need to successfully pass a paper with 100 multiple-choice questions.

Students who successfully complete both levels of the Spanish Wine Experience will be entitled to use the designation of Spanish Wine Educator.

Registration Fees: \$650
